Work Experience

ERICSSON PVT LIMITED
MAILROOM EXECUTIVE (1 YEAR)

Skills

I possess a strong foundation in programming languages and web development technologies, including C, Java, Python, HTML, and CSS. With hands-on experience in developing efficient code, creating responsive web designs, and problem-solving, I am confident in my ability to contribute to both software development and web-based projects.

Certifications or Achievements

Achieved national recognition as a throwball player, showcasing dedication, teamwork, and leadership skills.

These accomplishments highlight my commitment to excellence both in my professional field and extracurricular pursuits.

Projects

Developed a comprehensive portfolio website and a banking application as key projects. The portfolio site showcased my skills in web design and development, using HTML, CSS, and JavaScript to create a responsive and visually appealing online presence. The banking application involved building secure and functional features, including account management and transaction processing, demonstrating my ability to handle complex backend functionality and ensure a seamless user experience.

Hobbies/Interests

Passionate about various sports including throwball, cricket, and kabaddi, which keep me active and foster teamwork. I enjoy traveling to explore new cultures and destinations, and watching movies to unwind and stay entertained. These hobbies not only provide relaxation and enjoyment but also contribute to a well-rounded and dynamic lifestyle.
